AMERI-CANS Pricing Supporting Georgia

Below is AMERI-CANS full capability pricing table for your Mission Critical project. Unless otherwise indicated, the pricing below is per billing period on a 28-day ("monthly") cadence in accordance with industry standards.

STANDARD PORTABLE TOILETS and HANDWASH STATIONS

Ref.	Equipment	Description and Inclusions	Rent	+ Monthly Service Fee as per Cadence as Outlined Below							
				1x Weekly	2x Weekly	3x Weekly	5x Weekly	6x Weekly	7x Weekly	2x Daily (M-F)	2x Daily (Mon-Sat)
1	Toilet - Standard	Hand-sanitizer included. Female only available.	$74.89	$89.40	$173.44	$258.81	$429.12	$563.22	$697.32	$1,010.22	$1,278.42
2	Toilet - Wheelchair Accessible	Level-ground entry, increased floorspace, hand-sanitizer included.	$142.31	$97.92	$188.99	$282.01	$455.33	$602.21	$749.09	$1,028.16	$1,321.92
3	Handwash Station - Standard	Dual-user, self-contained, soap and paper towel dispensers.	$74.62	$90.68	$172.29	$257.08	$426.20	$562.22	$698.24	$1,024.68	$1,296.72

SPECIALTY PORTABLE TOILETS and HANDWASH STATIONS

4	Toilet - Hoist / Hi-Rise / 1/2 High / Squat Pot	Slim profile and/or short profile with collapsible roof and wheels allow for hoist/elevator and interior movement.	$138.89	$112.00	$223.44	$332.64	$551.60	$719.60	$999.60	$1,400.00	$1,736.00
5	Handwash Station - Hoist	Wheeled with lifting cradle appropriate for overhead lifting, hoist/elevator and interior movement.	$94.44	$120.76	$236.69	$347.79	$561.53	$742.67	$923.81	$1,328.36	$1,690.64
6	Toilet - Crane Capable	Standard Toilet with lifting cradle appropriate for overhead lifting via crain or boom and sling.	$124.89	$92.80	$167.04	$247.78	$403.68	$542.88	$682.08	$1,020.80	$1,299.20
7	Toilet - Highway Trailer	Standard Toilet mounted on single axle, DOT compliant trailer. 2" ball hitch, 5 pin electrical connection. For mobile site operations.	$173.33	$101.44	$198.82	$295.19	$466.62	$568.06	$669.50	$1,115.84	$1,420.16

Delivery/pickup fee is applied to the initial invoice for new equipment and covers the cost of both initial delivery and final removal of portable toilets/handwash stations. The cost is $25.00 per unit for standard or specialty portable toilets and handwash stations.

CLIMATE CONTROLLED FIELD SANITATION EQUIPMENT

			Rent	+ Monthly Service (Pump, haul-off, refill) and Full Service Custodial Support as per Cadence as Outlined Below							
8	SeaCan - MARK IV - 10S-F Private 10-Stall Flushing	FULL FLUSH, climate-controlled, illuminated hygiene module. (10) private, mag-lock-ready stalls, each with a hot-water sink, hand-dryer and wall-mounted fixtures for superior hygiene in demanding environments. MARK IV is the new standard of accommodation, privacy, and humanity for site personnel. Includes rent, pump, haul, disposal and onboard water refill at the cadences indicated.	$5,416.67	$1,141.36	$1,940.31	$2,739.26	$4,508.37	$6,791.09	$10,785.85	$12,554.96	$15,979.04
9	Custodial Service - SeaCan - MARK IV - 10S-F	Beyond pumping and refilling; full service cleaning of the interior space including floors, stalls and surfaces.		$960.00	$1,910.40	$2,851.20	$4,608.00	$6,048.00	$7,488.00	$11,040.00	$16,128.00

Each SeaCan requires: 1) 100A per leg, 240V Single Phase connected via Series 16 Camlock or bypass direct wire to panel 2) Level, hard-packed surface footprint of 40'x10' 3) 360 degrees of accessibility to accommodate personnel access and service truck proximity within 20' 4) There is a one-time delivery and setup cost of $3,950.00 per SeaCan and a $995.00 relocation fee to move the unit once placed onsite. 5) Deployment in Greenfield/Rough Terrain sites requires mandatory bi-weekly (2x per week) Cleaning Service. This prevents neglect-related wear, premature wear and tear and reduces downtime.

10	Restroom Trailer - 2-Stall	Two private, climate-controlled restrooms with foot-flush or reservoir toilets, stainless-steel sinks, moisture-resistant interiors, and AMERI-CANS' high-standard cleanability. Durable, vented, and consistently professional for any jobsite environment.	$3,536.00	$382.68	$761.53	$1,139.43	$1,894.27	$2,850.97	$4,190.35	$4,783.50	$5,931.54
11	Custodial Service - Restroom Trailer 2-Stall	Beyond pumping and refilling; full service cleaning of the interior space including floors, stalls and surfaces.		$432.00	$859.68	$1,283.04	$2,073.60	$2,721.60	$3,801.60	$5,400.00	$7,776.00
12	Restroom Trailer - 4-Stall	Four private, climate-controlled restrooms with foot-flush or reservoir toilets, stainless-steel sinks, moisture-resistant interiors, and AMERI-CANS' high-standard cleanability. Durable, vented, and consistently professional for any jobsite environment.	$5,360.00	$575.40	$1,145.05	$1,713.25	$2,848.23	$4,286.73	$6,300.63	$7,192.50	$8,918.70
13	Custodial Service - Restroom Trailer 4-Stall	Beyond pumping and refilling; full service cleaning of the interior space including floors, stalls and surfaces.		$528.00	$1,050.72	$1,568.16	$2,534.40	$3,326.40	$4,646.40	$6,600.00	$9,504.00
14	Restroom Trailer - 8-Stall	Built to AMERI-CANS' spec: 8 climate-controlled, standalone restrooms with flushing toilets (no RV-style), urinals, sinks, and soap. Best in class.	$9,200.00	$1,300.00	$2,587.00	$3,870.75	$6,435.00	$10,335.00	$14,235.00	$16,250.00	$20,150.00
15	Custodial Service - Restroom Trailer 8-Stall	Beyond pumping and refilling; full service cleaning of the interior space including floors, stalls and surfaces.		$696.00	$1,385.04	$2,067.12	$3,340.80	$4,384.80	$6,124.80	$8,004.00	$12,528.00
16	SeaCan Bootwash - 20ft	Self contained, climate controlled, illuminated, pass through floored boot wash enclosure. 8 interior washing apertures for washdown prior to entering parking lots and office areas.	$1,541.67	$623.32	$1,240.41	$1,855.94	$3,085.43	$4,643.73	$6,825.35	$7,791.50	$9,661.46
17	Drinking Water Station	Four bottle fillers with four phase filtration, 300-gal capacity, continuous chiller and complete self-containment	$2,195.84	$480.00	$960.00	$1,440.00	$2,400.00	$3,360.00	$3,840.00	$5,280.00	$6,240.00

Restroom Trailers require: 1) 50-amp electrical service 2) Level, hard-packed surface footprint of 40'x10' 3) Service proximity of 10' of the entrance(s) of the equipment 4) There is a one-time delivery and setup cost of $1,950.00 per trailer and a $495.00 relocation fee to move a unit once placed onsite.

18	Access Control Utilization	Per unit fee to utilize access control capability on MARK IV and/or Restroom Trailer equipment (if enabled). Billed per piece of gear, per billing period, regardless of door count.	$203.13

FIELD TRAILER TEMPORARY SANITATION SYSTEMS

Ref.	Equipment	Description and Inclusions	Rent	+ Monthly Service Fee as per Cadence as Outlined Below							
				1x Weekly	2x Weekly	3x Weekly	5x Weekly	6x Weekly	7x Weekly	2x Daily (M-F)	2x Daily (Mon-Sat)
19	200-gal Freshwater Tank	Price includes: 1) General maintenance 2) Line maintenance 3) Water refill 4) Weatherproofing 5) Service cadence as indicated in the table at right. Freshwater systems must have 24/7 continuous power supply during winter months to maintain serviceability of the water lines' heating elements.	$100.00	$346.24	$657.86	$976.40	$1,618.67	$2,016.85	$3,349.87	$3,462.40	$4,847.36
20	500-gal Freshwater Tank		$250.00	$674.00	$1,213.20	$1,718.70	$2,696.00	$3,471.10	$6,066.00	$7,077.00	$9,638.20
21	950-gal Freshwater Tank		$466.67	$1,073.32	$2,103.71	$3,123.36	$4,829.94	$6,064.26	$10,196.54	$11,269.86	$15,348.48
22	300-gal Waste Tank	Price includes: 1) General maintenance 2) Waste line monitoring 3) Waste pumping 4) Weatherproofing 5) Service cadence as indicated in the table at right.	$83.33	$311.04	$590.98	$793.15	$1,306.37	$1,664.07	$2,706.05	$3,141.50	$4,385.66
23	1,000-gal Waste Tank		$450.00	$2,314.08	$2,776.90	$3,193.43	$3,531.29	$4,456.92	$7,233.82	$8,099.28	$12,727.44

Various water treatment districts and their respective facilities have highly varying millage rates associated with the processing charges for hauled septic waste. As a result, in cases where a local jurisdiction charges in excess of $0.15 per gallon, AMERI-CANS will apply a Disposal Fee Surcharge per gallon of waste hauled. The fee amount will be equal to the difference in the rate in excess of $0.15 per gallon multiplied by the tank capacity of the vessel(s) being pumped and the number of service days in a given billing period. For bulk hauling, this will apply in addition to the bulk hauling rate ***SEE ITEM 27***

There is a one-time installation fee for the temporary sanitation system(s) determined once initial site and equipment assessments have taken place. The systems require independent, dedicated 120v electrical circuits, 1 each to support pump operations and heat-trace applications to ensure all season functionality. Prices include delivery pumps and float switch to combat burnout.

Water / Waste Requirements Reference Use Table		1-5 Personnel	6-10 Personnel	11-15 Personnel	16-20 Personnel	21-30 Personnel	31-40 Personnel
Used to predict overall water consumption and related wastewater production	Weekly Use Freshwater, Gallons (estimated)	58 - 279	334 - 555	610 - 830	885 - 1,106	1,161 - 1,657	1,712 - 2,208
	Weekly Production Wastewater, Gallons (estimated)	64 - 307	367 - 610	671 - 913	974 - 1,216	1,277 - 1,823	1,883 - 2,429

The above table is a reference meant for planning purposes only. Consumption will be impacted by aged, leaking, and damaged fixtures within the trailer units that are outside AMERI-CANS purview. In addition, surge in onsite personnel and hosting of events etc., will result in higher consumption rates than anticipated above.

EMERGENCY REFILL FIELD TRAILER SERVICE - DURING NORMAL BUSINESS HOURS

			Per Request
24	200 Gallon Freshwater Tank	On-demand emergency call to refill water system. Includes same-day refilling of the water supply AND pumping the downstream holding tanks. (Refilling emptied tanks without pumping the closed system's waste tanks can result in overflows and backed up sanitary systems). The cost as outlined includes the response of both water supply and waste removal.	$385.00
25	500 Gallon Freshwater Tank		$610.00
26	950 Gallon Freshwater Tank		$930.00

BULK PUMP AND/OR HAUL PRICING

			<=200 gal	> 200 gal
27	Brine Water Fill-up	Scheduled service to support special projects, cooling system flushes, retention cleanouts, wash stations and other manner of bulk liquid processes. We solve problems. *Effluent must meet treatment authority standards.	0.75 /gal	0.75 /gal
28	Bulk Fresh Water Fill-up		0.4 /gal	0.4 /gal
29	Bulk Waste/Frac Tank Pumping		0.35 /gal	0.35 /gal
30	Dedicated Truck and Technician	Hourly cost for dedicated septic / water truck and licensed operator for longer or uncertain duration projects that require on-call resources.	$225.00	
31	Disposal Fee Surcharge	Applied only in high cost treatment districts where the bulk dumping fees are in excess of $0.15/gal. In those jurisdictions, a surcharge will be applied based on the bulk equipment being serviced - holding tanks, restroom containers and trailers, etc. - their gross volume, the service cadence of the item(s) during a billing period and the variance to $0.15/gal.		When Applicable

CONTAINMENT EQUIPMENT and PUMPING			Price
32	AMERI-CANS Containment Tray	Surrounds base of Standard Toilet, mandated in certain jurisdictions. Includes pumping of tray with regularly scheduled service, cost per unit, per billing period	$25.00
33	Customer Containment Tray-SM	Secondary containment systems around jobsites (surrounding fuel cells, generators, etc.). Price per containment unit, per pump-out based on size as outlined below. - SM <100 Sq Ft (10 x 10) - LG >100 Sq Ft (10 x 10)	$150.00
34	Customer Containment Tray-LG		$300.00

OTHER SERVICES			Price
35	RV Pumpout	Pump, haul and dispose of RV holding tank - charged per tank per RV	$75.00
36	Emergency Fee	Same day, on-demand service call request; emergency deliveries, service calls, etc., calls not outlined above	$250.00
37	Fuel Surcharge	Variable surcharge reflecting the impact of fluctuating diesel fuel costs on operating expenses, calculated using AMERI-CANS' standard methodology tied to the EIA national average diesel price. The surcharge represents a reasonable allocation of fuel-related costs and is not an exact measure of fuel consumed for any individual service. ONLY APPLIES WHEN EIA monthly average exceeds $4.25/gallon. See details in Terms & Conditions	1.3% - 3.35%

GRAFFITI REMOVAL			Price
38	Graffiti remediation - nominal	AMERI-CANS has a zero tolerance policy with regards to graffiti. Oftentimes, its presence contributes to a hostile work environment, threats, safety concerns, harassment and/or targeting. If found, and reasonably material in size or offensive in nature, it will be documented, removed and a $25 graffiti removal charge will be assessed. Excessive graffiti, being defined as covering a total area of 8.5" x 11" or greater, will be billed a $50 excessive graffiti removal charge.	$25.00/unit
39	Graffiti remediation - excessive		$50.00/unit

This pricing includes all costs as outlined and there will be no separate billing for ancillary materials or fees unless specifically outlined herein. Sales tax will be applied as appropriate.
Please reference AMERI-CANS' Terms & Conditions for additional information regarding service requirements and standards.

AMERI-CANS Terms and Conditions

The following Terms and Conditions apply to your contract and all portable sanitation units or other equipment ("units," "equipment," or "rented items") placed by Two-Tac LLC d/b/a AMERI-CANS ("AMC") and are incorporated by reference into your order form. By signing, submitting the online order form, or accepting delivery, you agree to these Terms and Conditions.

Payment Terms (unless outlined above)

Rental Period: Special event rentals are billed per event as outlined in the service confirmation ("Confirmation"). Long-term rentals are billed in recurring 28-day periods from the start date specified in the Confirmation.

Rent and Fees:

•Rent: Amount detailed in the Confirmation by equipment type and duration.

•Delivery Fee: A one-time fee applies for delivery; repeated for additional deliveries.

•Service Fees: Billed separately as outlined in the Confirmation or Pricing Proposal. Unless otherwise agreed upon, on-demand service calls are $50 plus roundtrip mileage and the per service rate of each piece of equipment serviced. Emergency same-day service adds a $250 fee; after-hours, weekend, or holiday requests add $500. Relocation requests cost $50 per piece, tanks and event trailers incur full setup fees.

•Idle Equipment: Upon request and AMC approval, rent-only charges may apply for idle equipment onsite up to 60 days.

Taxes: Customer is responsible for applicable sales tax unless a valid tax-exempt certificate is provided before delivery.

Invoices and Payments:

•Special Events: 50% due upon signing, remaining 50% due ninety-six (96) hours prior to delivery.

•Long-term Rentals: Invoiced within 10 days of Confirmation; Net 15 payment terms apply unless otherwise agreed.

Refunds: Refunds are at AMC's sole discretion; unused rental periods and/or cancelled event rentals will not be prorated or refunded. Refunds or credits must be requested within 30 days of service completion.

Fuel Surcharge: When diesel fuel costs reach pre-defined, extraordinary levels, where absorbing the entire increase is not sustainable. Rather than broadly increasing our prices or implementing an arbitrary fee, AMERI-CANS will intitiate a temporary, transparent fuel surcharge tied directly to the publicly available U.S. Energy Information Administration (EIA) National Average price for on-highway diesel when the published, monthly national average for he preceding month is $4.25 or more. The surcharge will be tiered based on the below structure and will activate or deactivate based on the monthly average for the next month's billing. The tier structure is as follows with the percentages calculated against the pre-tax aggregate invoice.

Tier	Initiates@EIA 4wk Avg. of	Tier Limit	Surcharge as % of Invoice
1	$4.25	$5.25	1.30%
2	$5.26	$6.25	1.61%
3	$6.26	$7.25	2.01%
4	$7.26	$8.25	2.58%
5	$8.26	$9.25	3.35%

Delivery and Cancellation

Delivery Process: Customer must provide a drop-off address, onsite directions and/or special instructions, and an onsite contact. Equipment placement must be within 20 feet of a passable road. Incorrect addresses, placement changes, or absence of a representative onsite to affirm delivery, will incur a $50 re-delivery fee.

Cancellation:

•Special event cancellations with less than 96 hours' notice incur a 50% fee.

•Contracts canceled before the agreed end date will be billed through the end date unless otherwise agreed.

•Open-ended engagements that are billed month-to-month will continue to be billed if service is completed. It is the responsibility of Customer to request month-to-month service cancellation if no end date is established.

Use and Maintenance

Customer Responsibility: Customer assumes care, custody, and control of the equipment and is responsible for loss, damage, improper use, or graffiti. Improper use includes disposal of non-human waste, overloading, and unauthorized relocation. AMC must be indemnified against claims arising from the equipment's use or misuse.

Damage and Graffiti:

•Damage not considered "ordinary wear and tear" will incur repair or replacement costs.

•Graffiti and its content may contribute to a hostile work environment and create perceived threats, targeting and/or harassment. Additionally, its tolerated presence invites additional defacement. As such, we have a "remove onsite" policy. When encountered, our personnel will document and remove it. Removal incurs $25 charge per instance; excessive graffiti (total area of 8.5" x 11" or larger) is billed at $50. Customer will hold harmless AMC for the contents of graffiti acquired while onsite in customer's possession.

Unsafe Equipment: Unsafe or defective equipment must be reported immediately. AMC will repair or replace it at its discretion. This provision does not relieve Customer from other obligations, including liability for payment of any damages, payment of repair/maintenance costs, or consequential damages resulting from failure or defect.

Customer Responsibility for Securing Equipment: Customer is responsible for ensuring that all rented equipment is adequately secured upon delivery and throughout the rental period. This includes but is not limited to:

•Stabilization: Ensuring that units are placed on stable, level ground to prevent tipping or movement.

•Anchoring: Staking units to the ground or using other approved methods to anchor equipment securely, especially in areas prone to high winds or adverse weather conditions.

•Theft and Vandalism Prevention: Taking reasonable measures to deter theft, vandalism, or unauthorized use of the equipment while it is in their care. AMC is not liable for damages resulting from improperly secured equipment. Customers will bear responsibility for any loss, damage, or injury caused by unsecured equipment.

Reclaim and Return

Reclaim: AMC may reclaim equipment due to contract breach or insolvency with notice. Refusal to return equipment is considered theft.

Pickup: AMC will provide a pickup window; Customer requests for schedule adjustments require one week's notice submitted via email (orders@ameri-cans.com) or via phone request and subsequent email acknowledgment by AMC.

Liability and Indemnification

Disclaimer of Warranties: Equipment is rented "as is" without warranties of merchantability or fitness for a particular purpose.

Limitation of Liability: AMC shall not be liable for any consequential, incidental, special, punitive, indirect, or economic damages. Remedies are limited to repair, replacement, or rental charge refunds for downtime. AMC has no liability for any claim or damage arising from Customer's misuse, abuse, unauthorized alteration, or improper operation of the equipment.

Indemnification: Customer shall indemnify, defend, and hold harmless AMC from all claims, damages, losses, liabilities, and expenses arising out of or connected to the equipment, its placement or use, or to any act, omission, or negligence of Customer or those operating under Customer's control. This indemnification obligation shall not apply to the extent a claim is caused by the proven sole negligence of AMC.

Miscellaneous

Default: Default terminates the agreement and allows AMC to repossess equipment. Customer is liable for all associated costs.

Governing Law: The agreement is governed by Virginia law; disputes are subject to Virginia courts.

Entire Agreement: These Terms and Conditions and any related documents constitute the entire agreement, superseding prior communications.
